Kincaid Park Access Road is getting a face lift. The Municipality is resuming the Kincaid Park Road Improvement project. As currently envisioned the project will provide roadway, parking lot, lighting and landscaping improvements from the Nordic Ski Club Bunker to the park entrance on Raspberry Road. The goals of the project are to lower maintenance costs with improved road subgrade and paving, and improve safety with gentler curves, appropriate roadway cross-slopes, shoulders with striping, and lighting. Construction is scheduled for summer 2006.
