Eagle River Valley Community Council Resolution No. 2017-3

**Resolution Requesting Mayor Berkowitz to Consider a bus (transportation) plan
which includes bus service to Eagle River**

WHEREAS, the ERVCC membership has reviewed and discussed the issues regarding the need for adequate bus service to and from Eagle River and Chugiak; and,

WHEREAS community members presented to the members of the ERVCC on the recent people mover decision to employ 12 passenger vans on the Eagle River routes; and,

WHEREAS, members of the bus riding community present noted that at least 13 - 18 people ride on people mover buses in the AM, which would present a shortage of seats with the current plan, with over an hour wait for the van to return; and,

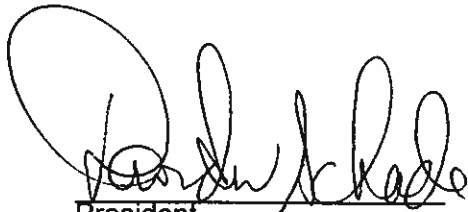

WHEREAS the Eagle River / Chugiak bus routes have already been significantly curtailed over the last few years; and,

WHEREAS, the Eagle River / Chugiak area residents also pay their share of taxes and fees to the Municipality;

THEREFORE, BE IT RESOLVED THAT the Eagle River Valley Community Council hereby declares it is opposed to the current proposed mass transit plans, because they all exclude and do not provide for the transportation needs of the Eagle River / Chugiak area residents; and,

BE IT FURTHER RESOLVED that the ERVCC membership requests that Mayor Berkowitz request and consider a new plan which would provide equipment for equal services for the Eagle River / Chugiak areas.

This resolution was passed/failed on March 8, 2017 by vote of 10 yea, 0 nae, and 0 abstain.
