Sand Lake Community Council Resolution 2011-04

SUBJECT: Requesting 'Speed-Humps' to be installed on Honeysuckle Street and 91st street near Amanda Circle.

WHEREAS, the Sand Lake Community Council serves in an advisory capacity to the Administration and Departments of the Municipality of Anchorage;

WHEREAS, Vehicular traffic on 91st near Amanda Circle, Honeysuckle Street, Forest Village Dr at Woodstock, and Arlene at 88th is very elevated due to the proximity of Dimond High School and Skinny Raven, and speed of vehicles on these streets is excessive. We believe that vehicle speed reduction would greatly increase the safety of the neighborhood and we believe Speed-Humps will help;

NOW THEREFORE BE IT RESOLVED, that the Sand Lake Community Council supports the Municipal process of determining the viability and installation of Speed Humps on or near 91st Street & Amanda Circle, Honeysuckle Street, Forest Village Dr at Woodstock, and Arlene at 88th.

ADOPTED, this 12th day of September 2011 in Anchorage Alaska by the Sand Lake Community Council.

A large, stylized handwritten signature in black ink, which appears to read 'Daniel Burgess', is written over a horizontal line.
