Alaska State Sno-X Lions Club

To Whom It May Concern:

The Sand Lake Community Council wishes to express our enthusiastic support and need for 'winter recreational motorized use' in the Anchorage Area. Alaska State Sno-X Lions Club presented a land use proposal prepared for the Department of Anchorage Parks and Recreation, to the Sand Lake Community Council during the November 2012 meeting. We are excited at the prospects, and with a turnout of support that became standing room only at the meeting; it's clearly something Anchorage needs.

Thank you for your time.

Sincerely,
