

Sand Lake Community Council

Regarding Installation of Interactive Sculpture at Kincaid Park

RESOLUTION 2012-03

WHEREAS, a Park Improvement Proposal was completed by volunteers and submitted to the Anchorage Parks and Recreation Department for the proposed installation of an interactive sculpture at Kincaid Park; and,

WHEREAS, the Park Improvement Proposal is consistent with the Park Department's mission and the Kincaid Master Plan, revised in 2006; and,

WHEREAS, project volunteers worked with Kincaid Facility Manager, Scott O'Brien, and the lead groomer with the Nordic Ski Association of Anchorage, Ben Powell, to identify the ideal location for the interactive sculpture that would avoid conflicting uses; and,

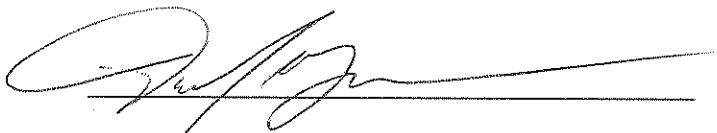

WHEREAS, the interactive sculpture honors two individuals who did so much for Nordic skiing at Kincaid Park, Lois Bettini and Doug Schwiesow; and,

WHEREAS, letters of support have been received from Becky Hauser, Dick Mize, Jan Buron, Ben Arians, Erin Hamilton and Rachelle Kanady; and,

WHEREAS, the project and received verbal authorization from Park Planners to proceed so long as proponents obtained community support and a building permit.

NOW THEREFORE BE IT RESOLVED, that the Sand Lake Community Council supports the installation of the Interactive Sculpture at Kincaid Park so long as a building permit is obtained for its installation through Building Safety, with the Municipality of Anchorage.

Passed this 6th day of August, 2012 by unanimous vote as attested by:

Daniel Burgess

Sand Lake Community Council President
