Sand Lake Community Council Resolution 2012-04

SUBJECT: Requesting 'Speed-Humps' to be installed on Jewel Terrace between Street between Dimond and 88th.

WHEREAS, the Sand Lake Community Council serves in an advisory capacity to the Administration and Departments of the Municipality of Anchorage;

WHEREAS, Vehicular traffic on Jewel Terrace between Dimond and 88th is very elevated due to the proximity of Jewel Lake Park and quick access to Dimond High School, and speed of vehicles on this street is excessive. We believe that vehicle speed reduction would greatly increase the safety of the neighborhood and we believe Speed-Humps will help;

NOW THEREFORE BE IT RESOLVED, that the Sand Lake Community Council supports the Municipal process of determining the viability and installation of Speed Humps on Jewel Terrace between Dimond and 88th^h.

ADOPTED, this 10th day of September 2012 in Anchorage Alaska by the Sand Lake Community Council.
