Sand Lake Community Council Resolution 2014-02

SUBJECT: Requesting 'Speed-Humps' to be installed on Blackberry between 88th & Strawberry, 88th between Arlene and Blackberry (in front of schools), & Cranberry between 67th & 64th.

WHEREAS, the Sand Lake Community Council serves in an advisory capacity to the Administration and Departments of the Municipality of Anchorage;

WHEREAS, Vehicular traffic on Blackberry between 88th & Strawberry, 88th between Arlene and Blackberry (in front of schools), & Cranberry between 67th & 64th is unsafe and speed of vehicles on this street is excessive. We believe that vehicle speed reduction would greatly increase the safety of the neighborhood and we believe Speed-Humps will help;

NOW THEREFORE BE IT RESOLVED, that the Sand Lake Community Council supports the Municipal process of determining the viability and installation of Speed Humps on Blackberry between 88th & Strawberry, 88th between Arlene and Blackberry (in front of schools), & Cranberry between 67th & 64th.

ADOPTED, this 6th day of October 2014 in Anchorage Alaska by the Sand Lake Community Council.

A handwritten signature in blue ink, appearing to read 'Daniel Burgess', is written over a horizontal line.

Daniel Burgess

Sand Lake Community Council President
