October 2003 Newsletter

Next meeting **October 16th** 7-9 pm,
Christian Church of Anchorage, corner of Lake Otis and O'Malley Roads

NEW HOCC MEETING LOCATION

Our next meeting is on October 16th 7-9 pm.

We are very proud to announce that The Christian Church of Anchorage will be the new home for our Council. They are located on the south-west corner of Lake Otis and O'Malley Roads. Please use either parking lot, but only the north entrance will be open, signs will direct you from there. There will be a security change in that the outside door will be locked during our meeting. If you arrive late, please ring the bell and someone will let you in.

A very quick newsletter this month. Firstly, the Assisted Living Ordinance has been postponed until December 1st for the Planning & Zoning Commission.

The Senior Housing Ordinance will be on October 13th.

Our next meeting on October 16th will feature the Huffman Road upgrade. We are hosting a joint council meeting with the surrounding community councils affected by this road upgrade. Guests will be Craig Lyons and Lance Wilbur (AMATS), Mike Scott (DOT), and Stewart Osgood (DOWL Engineer responsible for the design).

There is a meeting from 5-8 pm on October 9th at Rabbit Creek Elementary with all the folks for the DeArmoun Phase 2 (140th to Hillside Dr.) upgrade.

The public hearing regarding a time extension for the Tanglewood Golf Dome has been postponed. Now scheduled for November 1st, and the word is they'll be done before that date.

If you are receiving this newsletter by traditional mail and have the ability to receive e-mail, please change to the e-mail version. It saves the HOCC in copying and postage costs.

AREA CRIME AND PROBLEM AREAS

Anchorage Police Department has asked for suggestions on which areas in our council area are having problems with crime, vandals, etc. Please let the HOCC know if you have any problems or suggestions of where they should focus their efforts. We have heard that there are many burglaries happening in the area, but haven't heard any specifics. If you are one of those people who have been burglarized, can you please email or call?

I/we want to become a contributing member of HOCC.
Enclosed is my \$5 - \$250 yearly contribution.

The Aware with Care program needs volunteers to help educate and inform. So, get involved and lend a hand. This city wide disaster preparation program will speak volumes about Anchorage's spirit and determination. And it will help protect lives!

The Aware with Care program is available for community groups, senior centers, churches, caretakers, and individuals.

While supplies last, we have free emergency kits to give away to our city's seniors and citizens with special disabilities. To find out more about the Aware With Care program, visit us on line at muni.org. Or, call the program office at 343-4491

Remember, we cannot predict, only prepare. Are you Aware?
