ANNOUNCEMENTS

Attendance at the September meeting was very light. A number of issues will be repeated for those attending in October. Based on the lack of comments in September related to the Fly-by-Night/Players House of Rock liquor license transfer, the SCC did not object when it went before the Assembly. Since the last meeting, a number of complaints have arisen. We will discuss this item again.

We will have guests from the Department of Neighborhoods and Anchorage Neighborhood Housing to discuss the CLI project we have been working on.

CODE ENFORCEMENT

There are many land use, zoning and enforcement issues that need resolution. If you have a code enforcement question, or wish to report a problem, Rich can be reached at 343-8039 or by email at FernRA@ci.anchorage.ak.us .
