Weed and Seed Director Applicants Sought

The Mountain View Community Council would like to apply for a Weed and Seed Grant from the Justice Department next Fall. In order for that to happen, someone has to take responsibility for the application and the administering of the grant if we get it. Please call Tom Blackburn at 441-2731 for more information.

Boy Scout Leader Needed!!

The Mountain View Recreation Center/Boys and Girls Club is looking for someone to be a Boy Scout leader for about 12 boys who have been signed up for a year!! They are eager! There is someone who can train you. Please volunteer your time to help out the youth in our community. Call Rick Henderson at 297-5402.

Positions Open at the Mountain View Boys and Girls Club

Three key positions are currently open or will be in the near future. Needed: Job Ready Coordinator, Computer Tech/Teacher and Health and Life Skills Leader. If you can do any of these jobs, please contact Rick Henderson at 297-5402 immediately! Your help is needed today!

More volunteers Needed!!

The Mountain View Community Recreation Center Advisory Commission needs three new members - NOW. This Municipal commission is the voice of the community to the management of the facility. They meet quarterly at the Center at 6 PM on the third Thursday of the month for about 1 1/2 hours to review, advise and make recommendations to the Mayor, the Assembly and the management of the Community Recreation Center on whether the services, operating budget and operations plan reasonably meet the needs of all age groups for the services in the Mountain View Community Council area.

Come be a vital member of this Mayor/Assembly appointed commission to ensure that our Center meets our needs. Call Brenda Schimmeyer at 343-4135 to "sign up"!

Tasks To Do

- Glenn Highway Redesign (needs to be closely monitored)
- Weed and Seed Grant Application - needs an Administrator
- New Library - needs funding
- On-going Traffic Problems - needs monitoring
- Postings of Upcoming meetings in the Newsletter - needs your input
- More Networking with Other Groups and Community Councils

All of these need attention by members of the Mountain View Community Council. Which projects would you like to work on? The first list are on-going projects which need volunteers to keep them going. The second list are projects that need bodies to see that they are accomplished. We cannot keep moving forward without more people volunteering. Randy Smith's shoes are hard to fill, and no one or two persons is going to get the job done. Please care about our neighborhood enough to get involved to help out where you can. No one can put in the hours that Randy did, so it is going to take many of us to keep the ball rolling here. Please step up and do your part!! Call Tom Blackbird at 441-2731 to volunteer today!!
