Email or Postal Mail?

The Assembly did not fully fund the operation of the Community Councils Center this year. The majority of the Federation of Community Councils Board of Delegates (each Council is represented) has voted to pare each Council's mailing list to the bare minimum. In this computer world, many people can receive their newsletter by email, and this is the most cost-effective way. If you would like to receive this newsletter by email and save us postage, please call 274-1179 and let me know you want to receive this electronically.

World Changers 2004!

We are happy to announce that World Changers will be returning to Anchorage again this summer. World Changers is a group of student volunteers who travel to various communities across the nation and around the world. Over the last three years, World Changers have been working in Mountain View repairing roofs, painting houses, repairing and constructing fences, and landscaping. This year they will be back with 550 youth!!

Half of them will be here June 26th and half will come on July 3rd. They have half a day off on Wednesdays, and we want to have a picnic for them before they head off to see what they can in one afternoon!

HELP!!

I MAY NEED HELP!! We will be serving from 11:30 AM to 1 PM on June 30th and July 7th. (So we'll have to start cooking MUCH earlier!) Please say you'll help me show these kids how much we appreciate what they do for our neighborhood! Call me at 274-1179 and let me know what you can do to help. (And while you're at it, let me know what you can do July 4th - needless to say, I'll need LOTS of help!) **THANKS. Niki**
