

Ambassadors of Wildlife

Adopt an Animal Program

Give your friends and family a unique gift for the holiday season. Adopting an animal at the AWCC is a rewarding and easy way of supporting wildlife and their care, while giving a great gift. The tax deductible annual adoption fee helps maintain the highest level of care for the animals, and helps offset the cost of feeding, housing and veterinary care all year!

TO ADOPT IS EASY -- **1.** Select an animal from our list, **2.** fill out the enrollment form completely and **3.** mail the form along with payment to AWCC.

In order to receive your adoption kit by Christmas, orders must be received no later than December 19th.

Please remember the animals remain at the wildlife center and are cared for by trained animal caregivers. As an "Ambassador of Wildlife" we hope you will visit them often. Also be aware that some animals are subject to unpredicted changes. They may become injured, ill or may be transferred to another facility. When necessary, AWCC reserves the right to transfer your adoption to another suitable animal.
