MIDTOWN BUSINESS SHOWCASE

In the spirit of becoming a true "Community" we will showcase businesses within Midtown to know what businesses and services are available to us locally. It also serves as a support during difficult times such as emergencies, economic downturns and to celebrate our wins. Please help us to support our neighbors by recommending or using them when you have the opportunity. We look forward to featuring every business within our community.

Thank you for being a part of our "family" in the MTCC.

"After years of being a National Franchise, we wanted to be able to offer more to our guests and create a space that showcases to visitors, a truly Alaskan experience.

Our concept is simple. Create an environment that is welcoming and stimulates that adventurous Alaskan spirit. With a now "Open- Floor" plan and rustic decor, we've tried to create an atmosphere for people to socialize more and feel at home."

We hope you will join us.

Thank you,

Sincerely,

Bruce Burnett
