

Ted Stevens Anchorage International Airport

October 2023

Parking Limitations:

The end is near! ANC would like to thank everyone for their ongoing patience with our South Terminal Parking Garage construction. Parking limitations are expected to continue until the end of October. At which time, the garage will be back to full capacity, and this will ease parking constraints. We ask travelers to stay aware and allot extra time to find parking on or off-site. Please obey all construction information signs around the airport and drive safely.

End of Summer Seasonal Flight

The last summer seasonal flight was a Condor flight on Saturday September 23, 2023. ANC would like to thank Air Canada, Sun Country, Discover Airlines, and Condor Air for bringing seasonal direct flights this summer. ANC also enjoyed expanded service from Alaska Airlines, American, United, and Delta Airlines. ANC also enjoyed 5 passenger charter flights with Korean Air. Summer 2023 was a success!
