

TSAIA Update – November 2023

South Terminal Parking Garage Construction Completion:

The ANC South Terminal Parking Garage will be fully open and operational Friday, November 10, 2023! Hurray! Thank you to all our travelers, Anchorage-ites and Alaska residents for their patience during a long construction season. Although the full restoration of the parking garage will expand ANC parking capacity, we ask the traveling public to continue to have a parking plan. Airport parking was slightly constricted prior to garage construction and will likely continue, especially as we approach holiday traveling season.

Snow Removal:

ANC's award-winning Airfield Maintenance Team, who maintains our 24-hour-a-day operation on the ANC airfield, also coordinates snow removal on our sidewalks and parking areas. If you see areas marked off, it is for snow storage to facilitate cleaner parking lots, walkways and sidewalks. The public's cooperation in helping us keep our parking areas and sidewalks snow-free, is greatly appreciated.

New Passenger Flight Announcements

Recently, Alaska Airlines announced two new routes for Summer 2024. The first is a daily roundtrip from Anchorage to JFK in New York and the second is a once-a-week flight to San Diego. Both are seasonal flights. In addition, Delta Airlines announced a new route from Anchorage to Detroit, Michigan that will operate weekend service seasonally for Summer 2024.

Upcoming Lake Hood User Group Meeting:

Ted Stevens Anchorage International Airport (ANC) will conduct a Lake Hood User Group Meeting on Wednesday, Nov 15, 2023, at 1:00 p.m. at the ANC Airfield Maintenance Facility located at 5740 DeHavilland Ave, Anchorage, AK 99502.
