

There are SEVEN items in this email, including the agenda for Monday's meeting. The Minutes will be distributed and approved next month.

1. Anchorage Fire Department...The Anchorage Fire Department regularly attends our meetings to provide updates to the community. They would like to know what information is useful and relevant to council members. At the December meeting, a list of common AFD calls was requested. Please submit additional ideas to rogersparkcc@gmail.com AND DavidsonMA@ci.anchorage.ak.us

2. The Planning Department has notified the council of a liquor license application for Embassy Suites on Benson, across from the Sears Mall. Although it is not in our council area, the RPCC can comment in favor or opposition to this application. Council comments are due February 8. Individual comments can also be submitted.

3. It is not too late to register for a UAA Public Administration class regarding Public Involvement. Sheila Selkregg will teach the Spring Semester class focusing on civic engagement, and public process and review. Please contact Heather Ireland if you would like more information.

4. Plans for Russian Jack Springs Park can be seen online at:
