- V. Federation of Community Councils Report: FCC Representative Bob Churchill.
- VI. Committee Report: Bob Williams and Elvi Gray-Jackson will advise the members of any progress regarding the concern, expressed in September, about maintenance responsibility for, among other things, landscaping and protective coating on and around the Northern Lights Sound Barrier.
- VII. Presentations and Discussion, as follows:
 - A. **Curbside Recycling:** Expansion of Solid Waste Services Curbside Pickup To Rogers Park and Anchor Park. It is hoped that Mark Madden or another representative of Solid Waste Services will be available to present this issue.
 - B. **H2H.** A short status report will be provided.
 - C. **Proposed Resolution(s): H2H, KABATA & Dock Project.**

Dr. Arndt Von Hippel asked that we consider a resolution calling for greater disclosure about costs and funding for three projects (including H2H), a public vote prior to further significant expense, and in favor of public transportation as a means to relieve traffic congestion. Last spring his proposed resolution failed. However, other members kept the issue alive with alternative proposed language.
 - D. **Perceived Understaffing at APD & Not Recording Reported Crimes.**

We will invite Paul Honneman to speak to this issue.
