 - A. **Cybercrime.** We hope to have a representative of the Anchorage Police Department present an informative discussion about “cybercrime”, a growing area of concern in our high-tech society.
 - B. **Obesity Task Force progress report.** At our December meeting there was lively discussion about the work of the Obesity Task Force. RPCC Member David Morgan, on the board of the Alaska Health Care Commission, has offered to provide us with an update.
 - C. **A Proposed Resolution Re: Anchorage Police Department Service.** This item is a follow-up to the November presentation by Assembly member Paul Honneman. At the request of the membership expressed at the November meeting, Bob Churchill has prepared a draft statement of concern regarding the depletion of police service in our community.
 - D. **Fireworks.** Many have weighed in pro and con on the issue of fireworks on New Years Eve/New Years Day. The Assembly will reconsider the issue on Tuesday, January 11, 2011. Members’ comments are being forwarded to the Assembly. Should a member or members wish to propose a resolution for vote of the group, now is the time to present it. In the meantime, all are encouraged to provide their input in response to the prior e-mail dated January 1, 2011.
 - E. **Carlson Park and Russian Jack Springs Park Upgrades.** Suzanne Little, Senior Parks Planner with the Municipality, Department of Parks & Recreation, has been conducting meetings to plan and coordinate park upgrades, including improvements at Carlson Park and Russian Jack. Suzanne is unable to join us, but will provide us with a “white paper” summarizing the progress of planned improvements at these two parks. Jim Wright has been attending the Carlson Park planning meetings, and can answer questions if time permits.
