# Residents, Businesses, Property Owners Are Building a Better Fairview

The Anchorage Assembly at their meeting on March 14, 2006 approved a resolution formally recognizing the Fairview Community Council as a Sponsor for development of an Official Neighborhood Plan.

The Neighborhood Plan, upon approval by the Planning and Zoning Commission and the Assembly, will have the same weight as any other Municipal Plan. This means that the future of the Fairview Community is going to be shaped, moulded and guided by the goals, objectives, policies and guidelines laid out in the Fairview Plan.
