

**JOINT MEMORANDUM BY THE SPENARD AND TURNAGAIN COMMUNITY  
COUCILS SUPPORTING VARIOUS CAPITAL IMPROVEMENT PROJECTS**

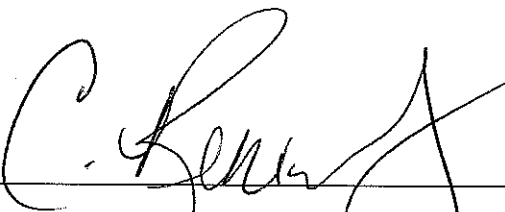

Whereas the memberships of the aforementioned Community Councils have each individually ranked proposed Capital Improvement Projects within their respective Council boundaries, and;

Whereas the memberships of these Community Councils recognize that the effects of a particular project may extend beyond the boundary of the Council within which it is located, and;

Whereas the memberships of these Community Councils recognize the Municipality's desire to prioritize the funding of projects that will maintain and improve existing infrastructure or emphasize new construction to that which will connect links of existing infrastructure;

The members of **Spenard and Turnagain Community Councils** do hereby indicate their support of the following projects which are either located within the boundaries of both Councils, or it is recognized that the construction of a project immediately adjacent to a Council's boundary will serve to benefit the residents of both Council areas:

- 1) Fish Creek Trail, Spenard Rd. to Northwood Park (Parks and Recreation).
- 2) Northern Lights Blvd. Rut Repair – Minnesota Dr. to Wisconsin St. (State Road).
- 3) 35<sup>th</sup> Avenue and McRae St. Upgrade – Wisconsin St. to Spenard Rd. (PM&E)
- 4) Turnagain Blvd. Upgrade – 35<sup>th</sup> to Spenard Rd. (PM&E)
- 5) Northern Lights Blvd. Pedestrian Connection – Lois Dr. west to Captain Cook Estates Circle (State)

  
Spenard Community Council Chair

  
Turnagain Community Council President
