

**RESOLUTION 12 2012**  
**Of The**  
**Mountain View Community Council**

**That the Mountain View Community Council supports the utility undergrounding efforts of Municipal Light and Power and requests the insertion of the Mountain View service area in to the five year schedule for undergrounding work**

**WHEREAS**, the Mountain View community has been in the process of a neighborhood-wide revitalization for many years and

**WHEREAS**, this effort is an appropriate measure to enhance the economic vitality of the commercial corridor and the neighborhood and

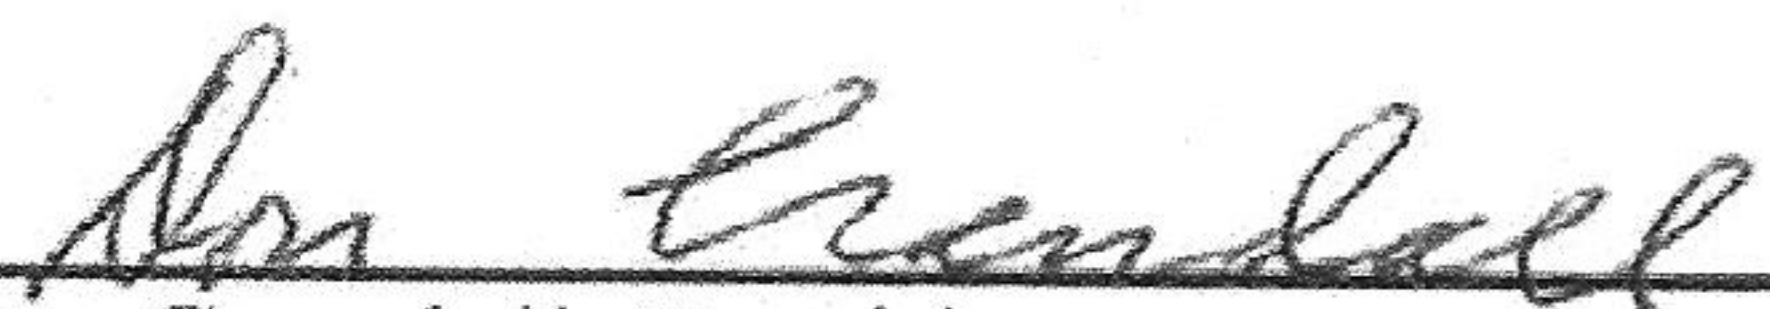

**WHEREAS**, the age and condition of the utilities in Mountain View are of such a condition that this effort is a necessary infrastructural update and

**WHEREAS**, residents will benefit from the removal of above ground utilities that inhibit the use of private property space

**NOW, THEREFORE BE IT RESOLVED, That the Mountain View Community Council supports the utility undergrounding efforts of Municipal Light and Power and requests the insertion of the Mountain View service area in to the five year schedule for undergrounding work**

This resolution shall be filed with the minutes and records of the Mountain View Community Council and presented to ML+P for distribution as needed.

Dated this 13<sup>th</sup> day of August, 2012 approved at the Mountain View Community Council Meeting.
