

TIKISHLA PARK Master Plan

Open House #2 Monday, February 6th (5:30-7pm)

**Anchorage Unitarian
Universalist Fellowship
(2824 E 18th Ave)**

Help plan and design your park!

Anchorage Parks and Recreation is updating the master plan for Tikishla Park. The master plan will provide a framework for development of facilities, playing fields and other park assets over the next 20 years.

Members of the community are invited to weigh in on several conceptual alternatives for future development at Tikishla Park. Your feedback will help the Parks and Recreation Department prioritize future development at the park. Refreshments will be served.
