AGENDA

Atch 1
Hello,

AMATS will be hosting an **Inter-agency Winter Maintenance Forum** on September 7th from 1pm to 4pm at the Municipal Planning Department Training Room (30).

Our goals for this forum are as follows:

1. Provide an opportunity for productive discussion about how best to achieve winter maintenance standards for bicyclists and pedestrians with continuing state and city budget cuts.
2. Look at various ways to prioritize maintenance schedules to ensure that streets with the most bike/ped traffic and residents who depend upon the non-motorized network are plowed first. Specifically, lower income and disabled residents.
3. Document current challenges and opportunities related to winter maintenance.
4. Present methods that are being used successfully in other winter cities to address these and similar challenges.
5. Develop an action plan to move us forward and make progress on this issue.

We will be sending out an event flyer soon. Please RSVP to me if you would like to attend.

AGENDA

Atch 2:

Subject: 2018/2019 Liquor License Renewal Notice

Dear Community Council:

Notice:

On or before September 1 of each year, the Municipal Clerk is required to notify all Community Councils of liquor licenses located within their boundaries that will be reviewed by the Assembly for renewal during the licensing year, 2018/2019 (AMC 2.30.120C). To comply with this provision of the code, the Clerk's Office has attached a spreadsheet of the 2018/2019 liquor license renewals, sorted by community council.

Public Hearings and Resolutions:

The municipal clerk is also required to advise community councils that they may request a legislative public hearing before the Assembly on any liquor license renewals within their boundaries (AMC 2.30.120C). To request a public hearing, the community council must adopt a resolution asking the Assembly to hold a public hearing on the liquor license renewal and must send the resolution directly to the Office of the Municipal Clerk at munilicenses@muni.org <<mailto:munilicenses@muni.org>>.

The request for a public hearing should be in the form of a resolution and preferably containing the following information: Number of community council member votes in favor of the request and the number of votes opposed; specific facts, including dates; and supporting documentation. **The resolution must be received no later than October 15, 2017.**

Please contact me if you have questions.
