Re: PZC 2017-0133 Repeal and Replacement of Stream Setbacks

Dear Planning and Zoning Commissioners,

Huffman O'Malley Community Council met on January 18, 2018 and, after discussion, voted to oppose changing the required stream setbacks on the Hillside as proposed in the new ordinance. HOCC supports keeping the 50' setbacks, as defined in the Anchorage Hillside District Plan.

Sincerely,

A handwritten signature in blue ink, appearing to read "Evan Budd", is written over a printed name.

Evan Budd

President - HOCC
