Our web site will be updated this month.  
We are waiting for dates on the next meeting of Northwood Extension Project.

I hope all those on the executive board and their families had good, rested vacations. Mine was the most! It's so hard to come

back to all the responsibilities of life!  
Here we go again!

As President of Sand Lake Community Council  
I apologize to each and every one of you  
for the March agenda not arriving to you  
on time. Bucky & I did nothing different than  
we have in past. This was the 1<sup>st</sup> time in 5 years  
our agenda was late & of all meetings - our  
mayoral forum! I was not a happy camper & experienced  
much stress. The good news is - the mayoral forum  
was a big success. Over 100 people were present  
for such an opportunity! A big thank you to  
Andrew Halcov for facilitating the forum forum.  
A great job, Andrew.

As always, my desire is to see our community  
come together by the email news and/or the  
agenda newsletter, ~~so we all may know~~  
what is happening where we live. Please  
inform a friend and/or neighbor and help get  
them on the "hoods" email newsletter list.

Lots of announcements at meeting

South coastal Trail comments extended until May 16, 2003

Thank you,
