### **MIDTOWN COMMUNITY COUNCIL MEETS NOV 12TH**

Is anyone from the 2003 Spenard boundary interested in becoming a Spenard Delegate for the New Midtown Community Council for a transitional year? Midtown is selecting a slate of officers at their November 12<sup>th</sup> meeting. The proposed new bounds are from Fireweed Lane in the north, Seward Hwy to the east, International Road in the south and Arctic Blvd to the west. Call Dan Coffey 274-3385 for more information. Any current Spenard residents living, owning or working in the described new area please attend and participate in the process, your voice is welcome & encouraged.

### **SPENARD OPPOSES RENEWAL OF J.S. XXX BOOKSTORE LICENSE**

During the August meeting, Spenard made resolution, unanimously opposing the J.S. XXX Bookstore being able to renew their municipal Adult Oriented Establishment business license. This lines up with APD, as they too oppose the renewal due to criminal activity on site. Fortunately, the building is now within the new Spenard Boundary and we can finally deal with them once & for all. Previously it was in Turnagain Community Council bounds.

### **APD REQUESTS OF US: REPORT ALL STREET PROSTITUTION 786-8900**

Keep the calls coming in folks, even if you feel it isn't helping- that's what it takes! At our September meeting, with APD present, we formed a committee to deal specifically with the prostitution problem on our streets. Your calls do help.
