Re: 2020-0083 Primo Farms North, LLC

Dear Applicant:

In accordance with AMC 10.80.026 and AMC 21.03.020F., the Planning Department has reviewed your application and found that with the exception of the required special land use permit fee and the additional required copies, the application is complete.

Please bring 17 additional copies of the items noted on the application form and the fee for the special land use permit for marijuana (\$1,700) to the Planning Department during regular business hours. Once the additional copies are received and the fee for a special land use permit application has been paid, your application will be considered complete and will be scheduled for a public hearing at the Assembly.

Please call the Department at 343-7931 if you have any questions.

Sincerely,

Ryan Yelle
