This event will bring in thousands of athletes, spectators, and volunteers to the airport. All athlete arrivals will happen Friday, March 8 and Saturday, March 9. The most impacted part of the airport will be the North Terminal when over 1500 athletes and families will arrive there on Saturday via charter flights.

Wind

ANC Airport have been facing severe winds the past couple weeks, with some days getting upwards of 50 knots (57 mph). ANC Operations, in coordination with various groups including the FAA, cargo, and passenger airlines, managed safe landings and takeoffs in real-time during inclement weather.
