SUBJECT: Providence Power Plant

At the UACC general membership meeting of May 7, 2008, MaryEllen Tuttell of DOWL Engineers gave a presentation on the proposed Providence Emergency Power Plant to be located within the Providence Alaska Medical Center locale. In addition to the power plant, two fuel storage tanks will be constructed and connected by pipeline to the plant.

Members of UACC made the following motion in support of the proposed Providence Power Plant.

UACC May 7, 2008 Motion Passed

The UACC supports the construction of a new power plant and fuel storage tanks to be located with the Providence Alaska Medical Center locale.

We ask that you consider our motion as you make decisions in the best interests of the UACC and the community of Anchorage as a whole. Please contact me if you have any questions.

Signed: May 28 2008
Susan C. Klein, President
