Assembly Member Jennifer Johnston's Amendment to the Hillside District Plan was adopted at last night's Assembly meeting. This Amendment deleted most references to the Furrow Creek area, although it did leave a door open for future options. The Amendment passed in a 10-1 vote, with Assembly Member Chris Birch in support. The owner of the 19 acre parcel testified as to his intent to build 100 homes on 6000 to 7000 sf lots on this parcel.

Thank you to our Assembly Member who worked so hard to protect our neighborhoods and our futures."
