## The Housing and Neighborhood Development (HAND) Commission

The HAND Commission advises the Mayor and the Assembly on issues related to long and short-term housing community development needs and strategies to affect revitalization of lower-income risk neighborhoods.

The monthly HAND Commission Meeting is held on the first Wednesday of the month from 4:00 p.m. - 5:30 p.m. in the Assembly Conference Room 155, on the 1st Floor of City Hall. There must be 5 members present to form a quorum. When special needs/issues arise, the Commission or staff may request an additional meeting or form a sub-committee to tackle these issues. All meetings are open to the public.

The HAND Advisory Commission has 9 members. The members consist of representatives from the following areas: citizens with disabilities, real estate industry, banking industry, non-profit housing, homebuilders, residential shelters and lower income neighborhoods. The Commission is led by a chairperson and co-chair. Commissioner's three year terms are appointed on a rotating basis, so that a third of the seats come up for appointment or reappointment yearly.
