

Just a Random Thought...
Once the dogs leave 4th Avenue, we don't need any more snow.
Would someone please place the order for sun?

Please remember, if you are making any police report regarding anything from noise to vandalism or suspicious behavior, always ask for a case number.**

From the President's Desk

Voting is the greatest right and privilege that we enjoy as Americans. Whereas national and state elections are extremely important, nothing affects our lives in quite the same way as local city elections. The people we elect as mayor and assembly representatives affect our lives

every day.

Having your voice heard on the important issues that are contained in ballot measures is equally important, as they can change the very dynamics of our city and how it operates. And of course, having a say in the budget process that pays for our roads and parks and public safety and schools through bonds is at the very heart of the process. This is where we determine how much more we are willing to pay each month, whether we own or rent our property.

On Tuesday, April 3rd, Anchorage will elect a new Mayor and three new School Board members. In addition, there are eight ballot and bond propositions.

As I've always said, if you won't go and exercise your right to vote and have a say about the future of our city, then please don't complain about the way things are. After all, you made the decision to let everybody else decide for you!
