

**North Star Community Council
November 9, 2011 Meeting**

Resolution of the North Star Community Council in support of the proposed 3-lane version of the Spenard Road safety improvements between Hillcrest Drive and West 30th Avenue being included in the Metropolitan Transportation Plan 2035 Update document (and other projects as listed below.)

The North Star Community Council resolves that it **supports** the following transportation improvements shown in the Short Term portion of the draft MTP:

1. Project #112 Spenard Road Rehabilitation – Hillcrest Drive to Benson Blvd
2. Project #121 Spenard Road Rehabilitation – Benson Blvd to Minnesota Dr.
3. Project #115 Fireweed Lane Rehabilitation – Spenard Road to Seward Hwy

We ask for **removal** of the following road and bridge projects:

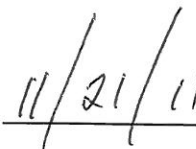

1. A/C Couplet Restripe- Tudor Road to 9th Avenue
2. Knik Arm Crossing Project

As unanimously approved by the membership of the North Star Community Council at our November 9, 2011 meeting.
