Most of the theft crimes reported this reporting period are associated with the Huffman Carrs and H2Oasis areas. If you are a crime victim, please be sure to report it to the Anchorage Police Department so that the information is logged into the MOA's crime statistics database. **HOCC also wants to remind everyone that the APD does not log reports unless you ask for a case number. Please remember, if you are making any police report regarding anything from noise to vandalism or suspicious behavior, always ask for a case number.**

From the President's Desk

As we begin our transition from Winter to Spring it's important to remember all the issues that are before us as a community and as a Community Council. Major issues such as the proposed Elmore Road extension, Huffman and O'Malley upgrades, and the South High football stadium arise, as well as smaller issues that come to us from the various neighborhoods we represent.

Community involvement is the key to any successful Community Council, and HOCC is one of the most active in the city. We welcome everyone to attend the monthly meetings and become involved to have a voice in the decisions that affect all of our lives. We need diverse voices to best serve our interests.

Please consider joining us at meetings and becoming involved in your community I know you'll find it interesting and rewarding.

Meanwhile, please remember that if you have any questions or concerns, you can contact me at any time.

Huffman/O'Malley Community Council
