

A RESOLUTION TO RECONSIDER THE LOCATION AND EXPANSION OF KARLUK MANOR THAT HAS BEEN PROPOSED TO RESIDE IN MOUNTAIN VIEW

Whereas, in the Municipality of Anchorage, students at Clark Middle School and Mountain View area are entitled to a safe and drug free environment, and

Whereas, students should not have to encounter possibly altercations with inebriates on their way to and from school, and

Whereas, students in the Mountain View area have a vested interest in the decisions that impact their community and should be given an opportunity to participate, and

Whereas, the Karluk Manor housing project for homeless people would counteract and impede the revitalization efforts of the Mountain View community, and

Whereas, the efforts to improve the community by creating business partnerships and growth, new housing developments, and beautification projects would be undermined, and

THEREFORE, BE IT RESOLVED THAT RURAL CAP RECONSIDER THE LOCATION AND EXPANSION OF KARLUK MANOR TO AN ALTERNATIVE SITE OUTSIDE OF THE MOUNTAIN VIEW AREA. THIS WOULD BE LESS IMPACTIVE TO THE YOUNG POPULATION WHICH IS WITHIN THE FRAMEWORK OF THE MOUNTAIN VIEW REVITALIZATION PROJECT THAT SUPPORTS AND MAINTAINS A SAFE AND POSITIVE COMMUNITY FOR CHILDREN AND FAMILIES.
