To Whom It May Concern:

At its regularly scheduled meeting on Thursday May 15th, the Government Hill Community Council (GHCC) discussed a proposal outlined by the Alaska Office of History and Archeology to create a Government Hill Federal Housing Historic District (reference file no. 3330-2). GHCC residents in attendance at the meeting reacted very favorably to the proposal, with the understanding that National Register listing places no restrictions on private property owners, nor do state and local laws impose any such restrictions.

Members agreed to send this letter supporting the nomination to the Anchorage Historical Preservation Commission. Thus, please be apprised that the GHCC supports the proposal to create the Government Hill Federal Housing Historic District.

Sincerely,

Stephanie A. Kesler
President, Government Hill Community Council
